Prologue (EDITED)

The full moon was reflected in the water of the moon pool. It is Heartpaw's first visit to the moon pool.
"Heartpaw are you ready?" Leafstorm asked which brought her from her thoughts.
" Yes, I'm ready." She said excitedly as her and Leafstorm laid beside the water of the moon pool.
Heartpaw awoke in a dark forest.
"Hello..." She said shakily " Anyone there?" She asked "Welcome Heartpaw, you are in star clan now..." Heartpaw spun around and gasped "Who are you?" She replied as she sat down in the soft grass "I am MistyStar a former leader of River clan."
"Awesome!" Heartpaw said excitedly
"I have an important thing to tell you young one.." She said smirking
"Tell me what?" She asked
"Listen closely to what I'm about to say." She asked Heartpaw replied with a nod
" Light will save the clans from darkness...." "Is that a prophecy? If it is why me and not Leafstorm? What if I forget and....." MistyStar stopes her "Because I think you are capable of holding this prophecy. But if you would like you may only tell one cat....." MistyStar trailed off "Wait what cat....." As she woke up at the side of the moon pool where she had fallen asleep.....

~EDITED VERSION~
The full moon reflected off the water of the moon pool. A small she-cat approached the pool looking at her reflection. A small brown and white cat appeared in the pool.
"Don't fall in Heartpaw." Another she-cat said making Heartpaw jump.
"Leafstorm don't scare me like that! I almost fell in!" Heartpaw whined to her mentor.
"Come now child! We must speak with Starclan!" Leafstorm said, as she laid down and closed her eyes.
Heartpaw copied her movements and drifted off into a sleep.

Heartpaw awoke in a small meadow surrounded by a dark forest.
"H-hello.." she said shakily.
"Hello Heartpaw. I have been waiting for you." Heartpaw whipped around to see a starry looking cat only paws away.
"Who are you?" Heartpaw asked as she took a seat in the grass.
"My name is Mistystar. I an a former Riverclan leader. Nice to finally meet you Heartpaw." Mistystar said as Heartpaw just stared in awe.
"It's such an honor to meet you!" Heartpaw said in an excited tone.
"Heartpaw you need to listen carefully. *Light will save the clans from darkness*." Mistystar said.
"Is that a prophecy? Why would you tell me something so important! I'm just a mere apprentice...." Heartpaw was cut off.
"Yes child it is a prophecy, but you are the only cat I believe I can trust with it." Mistystar smiles.
"But..." Heartpaw started but was cut off once again.
"No buts! You can tell one cat about this." Mistystar said her eyes where sparkling.
The dream was drifting away. Heartpaw awoke to the glistening sight of the moon pool. One thought in her head.
'Which cat will I tell?'

Chapter 1

Lightkit awoke to the sound of Lovekit and Cloudkit yowling playfully. He slowly got to his paws, after came a stretch and a yawn.
" Finally your awake!" Lovekit screeched happily
"Yea, where is Riverfur?" He asked tiredly "She is talking to Icestar. I wonder why?"
Lightkit gasped "They might be talking about my apprentice ceremony! I am six moons!"
"I can't wait to be an apprentice, so I can be a warrior sooner." Cloudkit said sadly
"I will visit you.." His voice was cut off by the yowl of Icestar. "All cats old enough to catch their own prey gather beneath the high rock for a clan meeting."
He paused "Lightkit please come forward...." As he trotted to the high rock were his leader stood "Lightkit, do you agree to honor the warrior code and take your place as an apprentice?" He asked as all eyes of all the cats burned in his fur "I..." He paused "do" he said loudly so the whole clan could hear."I call to my warrior ancestors to lay their eyes on this apprentice." he yowled.

The cats yowled his new name "Lightpaw, Lightpaw"
Icestar waved his tail telling the clan he is about to speak once more "Your mentor will be....."

"Ashtail, will you train this apprentice to be the best in the clan?" Icestar asked
"Yes I will take on this apprentice." He said humorously as he walked up and touched noses with his new apprentice..

Chapter 2

"Let me show you our territory yes?" Ashtail asked "Yea lets go!" I yelped as we went through the gross tunnel to the forest.
"Wow, I didn't think it would be this big!" I said breaking the silence. Ashtail laughed "Yes indeed it is, let's go to the river."
As they arrived at the shore of the river Lightpaw's mouth started to water as he saw all the brownish color fish swam around in the shallow water.
"They look good don't they?" Ashtail asked "Yea, there is so many..." He replied "Let's take a look around before we get too hungry for the fish." he purred happily.

Once they arrived back at camp, darkness swelled over Lightpaw. "I got you!" fimilliar voice said "Lovekit!" He shoved her off playfully "You little raskle you!" He purred in amusement.
"Hey Lightpaw," he spun around noticing it was Heartpaw "Oh, hello Heartpaw." He said happily "Oh, um well I'm going to the moon pool for my first time as an medicine cat apprentice, I wonder what star clan is going to show me!" She said excitedly
"I wish you could tell me but you can't because it's agenst the rules." Lightpaw said sadly "I wish I could tell you every one, yes...." She stopped when she Hurd her name.
"Heatpaw, time to go!" As Leafstorm yelled over the cats "Oh goodbye see you tomorrow."as she padded away to go on her journey....
.
.
.
.
'The next morning something wasn't right about Heartpaw she didn't seem like herself' Lightpaw thought as he padded to sit with her under the shade of a tree.
"Hey Heartpaw, are you ok your not acting like your self...." she interrupted him "I don't know what cat to tell....." she said weary in her voice "What are you talking about?"
"Heartpaw," Leafstorm's voice rang in the hallow "I am low on cat

mint can you please go get some for me?" She asked "Ok, can um Lightpaw come with me?" She asked in her eyes was fear but why? "Ok just hurry you two." "Ok." they said at the same time. "Lightpaw? Are you going to go help her get hurbs?" Ashtail asked "Yea, is that ok with you?" " Yes it is. I was going to go on a portrol with Icestar and Riverfur." "Ok, see you soon."

As they arrived were the cat mint was she said it again. "I don't know what at to tell. Can you keep a secret?" She asked calmly with a hit of excitement "Yes I will keep a secret." I replied "ok listen closely..... Light will save the clans from darkness.." she told him as he interrupted "Is that a prophecy?" He asked confused "Yes, I believe you are a part of that prophecy." "What, tell Leafstorm the prophecy...."
" As she interrupted him "I can't I was told to tell one cat and the 'light' part made me think of you." As she looked at her paws flushed
"How am I a young apprentice supposed to save the clans?" He asked "I think you are light and a cat is darkness I don't know who yet." She said sadly
"Sorry to ask but why are you wanting to be a medicine cat? Since that prophecy got you all acting weird?" He asked " Well I wanted to try it, I don't like it much.."
"You should ask Icestar if you can change? I think he might let you change?" He replied "I'll fell bad for Leafstorm if I change." She said after a long pause " A cat told me they wanted to be an medicine cat." "Who?" She asked "Cloudkit."......

Chapter 3

As they got back to camp Heartpaw told Leafstorm that she wanted to change her mind and be a warrior. Leafstorm said it was Heartpaw's choice not hers.
"All cats old enough to catch their own prey gather beneath the the high rock." He paused "Heartpaw has changed her mind about being a Medicine cat, she will now be training as a warrior. Her mentor will be....." He paused "Flamespark, will you take on this apprentice?" asked as Flamespark walked forward and nodded " Train your first apprentice well I and the clan believe in you." Icestar purred as Flamespark touched noses to Heartpaw.
"And two new apprentices are to be made. Lovekit and Cloudkit step forward please?" The two young cats listened their excitement flowing from them like a river. Do you two promise to obey the warrior code, to become apprentices?"
At the American moment "Yes!" The two young apprentices said "From this day forward you will be known as Lovepaw and Cloudpaw. Lovepaw you mentor will be Snowapple, please train her well. And Cloudpaw your mentor will be Leafstorm."
At her name the young Tom looked amazed happy that he was going to be a medicine cat, as the two apprentices touched noses with their new mentors...

Chapter 4

(This is after about two moons after Lightpaw became an apprentice.)
Heartpaw, Lovepaw, and Cloud paw were out battle training. Which Lightpaw was left alone, he has only been an apprentice for two moons now. He went to the fresh kill pile and grabbed a nice juicy fish.
"Hey, Lightpaw." A voice called as he looked up to see whom approached "Oh, hello Fallenpaw." he said ask she took a seat next to him "How's your fish?" She asked "Great." He replied after a second. Fallenpaw was almost done with her training and he had made friends with her.
"I'm taking my final today, hope I get to be a warrior." She said nervously "You are one of the best cats I know, and I bet you will beat the final." he said with a purr "Yea I guess your right." She replied.
"Fallenpaw." Skyheat called " Are you ready?" She asked with purr "Yes I am." She said "Hope I beat it." She whispered with a purr "I pray to star clan you will." he purred as she went to join her mentor.

Once she got back Skyheart went to Icestar's den. After a few moments or so they came out as Icestar went to the high rock and called for a clan meeting.
"Cats of River clan, this apprentice before us today has pased her finial." He paused "Fallenpaw please step forward." he asked as she did what he asked "Do you obey the warrior code an is able to become a warrior?" He asked "I do." She said "From this day forward you will be known as.." he paused.
Her excitement was clear to see she was ready. "Fallensnow, star clan look down on this warrior to do her very best!" He replied as her clan called her new name "Fallensnow! Fallensnow!"

After the ceremony it was time to sleep. Ashtail said he needed rest because he was going to goto his first visit to a gathering....

Chapter 5

Lightpaw woke, to the sun shining through the roof of the apprentice den. He got to his paws, stretched and padded out of the den. Ashtail, was sitting under a large oak in the shade. As he passed up to him and sat next to him.
"Good morning Ashtail." Lightpaw said purring "Good morning to you too." he said with a yawn "Why are you up so early?" Ashtail asked after a moment "The real question is why are you up this early?" Lightpaw asked with a large grin on his face.
The both laughed, until Icestar came out of his den. Didn't realize they were there at first until Lightpaw broke the silence.
"Good morning Icestar." he said as Icestar spun around with wide eyes and his fur sticking up from head to paw.
"Who is there, come out here now!?" He asked his fur still standing high "Sorry for startling you. Its Lightpaw." Lightpaw told him as he calmed and his fur went back down "Sorry for yelling at you. Why are you up so early? Both of you?"
As Ashfur came out of the shadows "We woke up early. I'm up before sun high so I can see it rise so beautiful." he purred "Yes, I remember when I was an apprentice and sat out here before sun high and moon high it was the most beautiful thing I have ever seen. Except for Snowapple and Fallensnow." he joked well I think I should tell Fallensnow she is off duty of the Virgil so I'll leave you two to talk." as he padded away to let Fallensnow know she was done with her Virgil.
.
.
.
.
It was time to leave for the gathering, Lightpaw couldn't think straight. He was extremely excited. All the cats that were going was Ashfur, Skyheart, Firespark, Heartpaw, Snowapple, Fallensnow, Mistheart, and Lightpaw.
As they arrived at the gathering many cats he had never seen.
"Lightpaw, want to meat some of the apprentices?" Heartpaw asked
"Why not." he purred.

They walked up to a group of young cats that he thinks are apprentices. "Hey Spottedpaw." She said to a brown spotted cat "Hey Heartpaw how is your training as a medicine cat doing?" Spottedpaw asked "Well, I'm not a medicine apprentice any more." She replied "Why?" Spottedpaw asked "Just didn't seem to like it." She said sadly.

Once Spottedpaw was about to speak, a lightbrown she cat silenced them.
"Cats of the clans I Duststar of shadow clan will speak first." The other leaders nod so she goes on "Shadow Clan is well Greybird has given birth to four new kits. Leafkit, Molekit, Frostkit,and Featherkit. They are all very healthy. And we have two new Warriors, Dazeclaw and Appledrizzle." as the clans called out the cats names a black Tom walked up and Duststar backed away.
"Thank you Duststar, I Midnightstar leader of Thunder Clan have some news." He paused after a moment "Shadekit has gotten her apprentice name is now Shadepaw." As a small dark grey she cat held her head high "That is all." he stepped back letting Icestar take his place.
"I Icestar, leader of river clan, we have one new warrior. My Daughter Fallensnow got her warrior name." he said proudly "That Is all for river clan." he stepped back letting a pale grey she cat walked forward.
"Cats of the clans I'm Dawnstar of wind clan." she said after a wile "Nothing, new in Wind clan."
Something happened to Lightpaw. Had he fallen asleep during the leaders speech? Until he Hurd a voice calling his name.....
(Hey Guys. Before you move on, write a comment what you think happens to Lightpaw. Thanks Gamerka19)

Chapter 6

Lightpaw was speechless. He still could think at least. The voice got louder as he walked through the dark forest. He remembered in nursery tales that many many many seasons ago, a battle was fought. It was called the Great Battle and the clan cats worked together with star clan to defeat the cats of the dark forest.
'Is this the dark forest form the nursery tale Rainfur told me moons ago?' He thought as he followed the voice that was calling his name. He made it to a large oak, a silver grey cat a blue grey cat and a cat with a pelt that was bright orange.
As he walked a little more forward he stepped on a small stick. the cats turned around. Now he was face to face with the three cats.
"Welcome Lightpaw," the grey she cat said "I am a former leader of river clan, they call MistyStar." as she paused Lightpaw spoke "If your her, than you are my great great great grandmother!"
The blue grey cat stared at MistyStar confused "So this is the light that is to save the clans?" The she-cat asked "Yes Bluestar, he is indeed." Bluestar looked at the other cat that was with them "Firestar what do you think?" She asked "I do believe he is. Look at his eyes they are silver. Most light is silver isn't it?" He asked with excitement in his green eyes.
"I guess so, and the other part of the prophecy did you figure out whom they are?" Bluestar asked "Yes, Bramblestar, Sandstorm and I figured out whom they are..." his eyes filled with fear and worry.
"Who?" Lightpaw asked "The leader of....." he paused and whispered "Midnightstar...." As all the other cats gasped.
.
.
.
.
.
.
He awoke the hair on his whole body was standing end on end. He ran out of the den. He most of been carried back to camp. It was morning, all cats out, and many Warriors were staring at him oddly. His hair was still standing as his mentor came up to him.

"Lightpaw, what's wrong? Are you ok, do I need to get Leafstorm?" Ashtail asked "Yes, I need to speak with he immediately." he told Ashtail as he ran into Leafstorm's den.
A moment later Leafstorm ran out up to him. "What's wrong? Are you ok?" She asked "I need to speak with yo privately." he said as the walked in to her den to talk.....
(What do you guys think what he is going to talk about with Leafstorm? Leave comments and read the next chapter when it is published.....)

Chapter 7

As they walked in to Leafstorm's den, they sat quiet for a moment. Leafstorm's eyes were wide with worry for him. He felt bad for scaring the clan but this was important. Until Leafstorm broke the silence.
"What's wrong Lightpaw?" She asked "Well, I had a dream and well it was bad and imortant and....." she stopped him form going any farther "Was anyone in your dream like other cats?" She asked "Yes, three cats in fact." he responded "Did they have names?" She asked "Yes. Firestar, Mistystar, and Bluestar." he said. Her eyes went as wide as he had ever seen any cats.
"Did they tell you something? Anything? Was it a prophecy they told you? Or was it....." he stopped her "To Many questions at once.." his voice was now a whisper "There is a prophecy and it was..." he paused remembering Heat paws words....
'I was told to tell one cat and I though of you..." not the exact words but close. "What was the prophecy?" She asked "Light will save the clans from darkness...." he told her at a whisper "I'm light..." he told her faintly "who is darkness?" She asked
He was scared the fear she could sent on him because her eyes got more larger.
At a mumble he said "Light will save the clans from darkness, I'm light and.... Midnightstar is darkness....." his eyes locked with hers he could see terror in her eyes.....
.
.
.
.
That night he had a horrible nightmare every time he tried to sleep the same dream always was the same. He woke up Heatpaw telling her he was going on a walk.
He walked along the river bank which lead to the shore to the lake as he took a seat something was aproching. He spun around and saw Heartpaw aproching with Lovepaw.
"Are you ok Lightpaw." Lovepaw asked with worry in her eyes "Yea I'm fine I just couldn't sleep "Well you know we are your friends if

you need us." Heartpaw smiled "I think you might want to be left a lone huh?" she asked as he nodded as She and Lovepaw walked throught the dark trees back to camp.....

Chater 8

(Takes place a moon later when he told his dream to Leafstorm and their little talk....)
The gathering was tonight, his second gathering. Even though he new Midnightstar's secret of being evil doesn't mean he can't go to gatherings.
The portal that was going to the gathering, Ashtail was excited since Fallensnow became a warrior him and her became mates and she is expecting kits.
As they got there, Shadowclan and Windclan arrived. But where was Thunderclan? After a few moments they arrived and the leaders started talking.
"Cats of the clans." Icestar called out as cats silenced "Fallensnow and Ashtail are expecting kits." He said with a purr. Ashtail held his head high with pride, as Icestar backed away to let Midnightstar speak "Hello, clan cats I'm sadly to say our medicine cat Hollystone passed she was taken by a fox wile collecting hurbs.." he said acting sad as all the cats doped their heads I sorrow for the medicine cat. "Now Spottedpaw is now Spottedstripe." as the clan cats called out the young toms name Midnightstar backed away.

They started walking home, Lovepaw and Heartpaw walking at his sides. They didn't talk that much while they walked back to camp.

The next morning Ashtail awoke him. "Good morning, ready for a hunting portrol?" He asked as Lightpaw nodded we are going with Skyheart, Lillypaw, Firespark, and Heartaw." he said after a second "Ok." Lightpaw replied.
As the portrol got back Lightpaw caught a large fish, Heartpaw caught a small fish, Ashtail also got a large fish, Skyheart caught a vole, Firespark caught a large fish, and Lillypaw got a small fish. After eating, Ashtail went to give a fish to Fallensnow. Her belly was swollen with kits. Ashtail said I would be one of the first ones to meet the little kits.
As I walked into the apprentice den I went straight to my nest and had a nice quiet sleep...

(Hey guys how do you like it so far. I want to ask if any one whom reads this and want me to add a Character of their name choice and will make them a part of this book. First one to comment the cats name and what clan, will get their character in my book. I also love new ideas if you would like to give me some I would love it! Thanks gamerka19 :3)

Chapter 9

He awoke to the sun shining from the roof of the apprentice den. He was the last awake. As he walked out of the den, Ashtail called his name. "Lightpaw." His green eyes looking at him with one of his 'We-are-going-on-a-portrol looks. "We are going on a border portrol with Darkclaw, let's go." he called happily.
They arrived in the shady forest. As they walked on an unfamiliar smell appeared as they walked forward. Darkclaw store and smelt the air, his eyes went wide with terroir "Dog and twolegs coming!" He screeched as in the distance they hurd barking.
They hid in a bush as the twolegs and the dog where getting closer. Once they all they fur on all the cats backs went up as the dog smelt at the bush.
Lightpaw leaped at the dog as the twolegs screeched. Lightpaw growled as a twoleg put something over him, his world went black...
.
.
.
.
He awoke on a soft substance. As something smoothed his pelt. He let out a soft purr as he opened his eyes a young twoleg was smoothing his fur with one of their furless paws.
It said something he couldn't understand as his eyes went wide and let out a harsh hiss.
The twoleg kept on smoothing his fur as he calmed as the twoleg held something over his head. It was swinging back and forth he couldn't resist he leaped for it as he played with it acting like a kit.
"Hello, clan cat!" a voice he could understand said. He looked down to the floor as the twoleg left the room mumbling something.
"Hello. Where am I?" He asked "Your in my house folks den." the she cat said after a few moments "I'm Blizzard by the way, you?" She asked "Lightpaw." he said shaky in his voice "Well nice to meet you and you don't belong here. I will help you get back to your wild cat clan thing if you want in a little wile they will let me out." she said, eyes bright with happiness and curiousness. "Really you'll help

me out?" he said surprised "Yep, we will have to go down stairs so lets get going!" She said excitedly.
As they made their way down stairs she told him to hide close to the door.
He did as she asked and she started pawing the door as the young human opened the door and he ran as fast as he could, pushing to go faster as he slowed. As he got farther a way he stopped out of breath, as Blizzard came up beside him.
"Hey, you know they wouldn't have chased you. Oh and what wild cat clan are you from?" She asked all calmly
"I'm...from...river..clan...." as he said breathlessly.
"Wow, well um you need to go this way." she pointed her tail in a different direction "Oh, ok." as they walked the other direction.....

Chapter 10

They started walking as Lightpaw smelt something familiar. "Shadowclan!" As they walked to the path and ran as fast as they could as they got to the Riverclan border.
"Are you going back or.." he trailed off as she spoke "Not if you don't want me to." she purred "Ok, come with me I want to tell my clan that you helped me escape." he purred "Let's go!"
They ran across the territory as they reached the stream. Lightpaw climbed to the shore of the stream. As he he said "Are you coming?" He asked as she replied "I don't know how to swim." "I'll take you across if you want." he purred as he walked into the stream.

"Get on my back." he asked and Blizzard did as she was asked and got on his back. He swam across as Blizzard screeched. As they reached the shore she got off as Lightpaw let out a couple deep breaths. He walked up the small hill as he hurd his name.

"Lightpaw! Your back! Who's this?" Ashtail asked as he walked out of the grass "This is Blizzard she saved me from the twoleg place even though she is a kittypet." he paused "Blizzard this is Ashtail." "Hello." she purred as Lightpaw said "Let's get to camp." as Ashtail said "Wait what about Blizzard?" Lightpaw looked at him kindly and smiled "She is coming with us."
As they got back to camp, walking into the camp made Blizzard scared so she hid in between Lightpaw and Ashtail. as they walked through they headed to Icestar's den. Before they got there Blizzard pulled Lightpaw aside as she whispered "Do you think your leader would let me join I mean I am half...." she paused "Riverclan and kittypet." she said sadly "My mother was a kittypet but my father was a Riverclan warrior Snowleaf, my mother said he was deputy before a cat named Darkclaw. He died in a battle with Shadowclan. She said he was an amazing fighter and told me that I should try to get in Riverclan and live like my father did but I never thought of it when I met you." she purred as they walked into Icestar's den "Icestar?" Lightpaw said as he turned and stared at Blizzard. "Snowleaf?"

"No I'm not him I'm sorry. I'm his daughter Blizzard." she relied as Icestar gasped "You are the daughter of my brother and Star?" He asked "Yes? If your brother is Snowleaf?"
His eyes went wide "How is Star?" He asked "She is good, but I helped Lightpaw and I was wondering..." she was stopped by Icestar. "Yes you may join Riverclan. Anything for my brother's child....."

THE WARRIOR CODE

[image]

(Hey guys, I made this because some people might not know the warrior code I hope you like it.)
1.Defend your clan, even with your life. You may have friendships with other cats from different clans, but your loyalty must remain to your clan, as one day you may meet them in battle.
2. Do not hint or trespass on another clan's territory.
3. Elders and kits must be fed before apprentices and warriors. Unless they have permission, apprentices may not eat until they have hunted to feed the elders.
4. Prey is killed to be eaten. Give thanks to StarClan for it's life.
5. A kit must be at least six moons before becoming an apprentice.
6. Newly appointed warriors will keep a silent vigil go one night after receiving their warrior name.
7. A cat can not be made deputy with out having mentored at least one apprentice.
8. The deputy will become clan leader when the leader dies or retires.
9. After death or retirement of the deputy, the new deputy must be chosen before moonhigh.
10. A gathering of all four clans is held at the full moon during a truce that last for the night. There shall be no fighting among the clans at this time.
11. Boundaries must be checked and marked daily. Challenge all trespassing cats.
12. No warrior may neglect a kit in pain or in danger, even if that kit is from a different clan.
13. The word of the clan leader is the warrior code.
14. An honorable warrior dose not need too kill other cats to win his battle, unless they are outside the warrior code or it is necessary for self-defense.
15. A warrior rejects the soft life of a kittypet.
(Thanks I'll be typing more soon :D)

Chapter 11

(This is now five moons since he became an apprentice, Heartpaw became Heartflame, Lillypaw became Lillywhisker, and Thornpaw became Thornheart. And Fallensnow had her kits with Ashtail!)
Lightpaw was excited. As he ran though the treeless area his paws hardly touched the ground. This was his last assessment. He had to beat this knowing hopefully he would become a warrior.
He finally stopped excitement flowed over him. Ashtail trotted up beside him out of breath. Panting heavily, as he caught his breath. "I think I'm to old for this." he joked "Ok then are you ready for your last assessment?" he asked as Lightpaw swore he saw a tear. "Yes, I am. Don't cry I'm going to be a warrior, not disappearing!" He joked with a smirk. "You caught me!" He sighed with a purr.
As he was doing his assessment he had to find a curtain fish, a cat fish. He never saw one but Ashtail said their easy to catch.
They walked to deep part of the stream. He had not been over hunting for fish this far. Huge fish swimming around in the shallow water. His mouth started to water at the sight of them.
"Go on catch one." Ashtail said which made him jump. "Ok!" As he eyed a large fish in the water. He leaped at it, claws unsheathed. He bit into the fishes neck. He pulled it out, it was still alive as he gave it a killing bite as it laid there motionless. Ashtail looked very impressed and he knew he was not finished yet.
"Last part, you have to get me to the ground in a small battle, no claws ready go!" Ashtail leaped forward at Lightpaw as he dodged his attack. He leaped at Ashtail with out him not realizing and he pined him to the ground. Ashtail went limp and Lightpaw won, he is going to be a warrior and nothing will stand in his way....

Cahpter 12

Lightpaw couldn't sit sill for even a second. He knew his time to become a warrior has come. He just couldn't sit still for one more moment. He stood and started to pace. Heartflame walked up to him her look was confusion.
"What are you doing? You look very excited for something?"
Lightpaw gasped "You mean you don't know?"
She looked at him in confusion "Know what?" All Lightpaw could do was let out a purr "I finished!" He said proudly as he puffed out his chest.
"You mean, to become a warrior?" She asked as he quickly replied "Yes!" They stopped talking as Icestar stood at the top of the high rock.
"All cats old enough to catch their pun prey gather beneath the high rock for a clan meeting!" He yowled. All cats sat in front of the rock questioning what was going on.
"Lightpaw has finished his assessment to become a warrior.." he was cut off from yowls from the whole clan. He waved his tail and the clan was in a hush.
"Lightpaw step forward please." he asked as Lightpaw did as told.
"From this day forward you will be called Lightfeather! I call to my warrior ancestors to look down on this new warrior!" He Yowled.
The Clan cheered his new name "Lightfeather! Lightfeather!"
.
.
.
.
He sat at the camp entrance. He had to do his Virgil. He was done once Icestar gave him the signal. he walked to the Warriors den and lied down in his nice new best next to Thornheart. He fell into a deep sleep.

He awoke as he remembered that the gathering was that night. He hurd his name as he got up from his nest.
"The cats that will be going to the gathering are Heartflare, Lightfeather, Ashtail, Skyheart, Flamespark, Thornheart, and

Bramblethorn." he yowled so all the cats could here. "We have to go so come lets go!" As he ran through of the entrance towards Windclan territory.

They arrived Windclan chatting to one another as the approached the clan went to a hush in seconds.
"Icestar welcome!" Dawnstar said with a purr. The clans started to chatter as he walked alone through the cats. He ran into a Wind clan warrior.
"Hey!" She yelped. "Sorry." he said as he looked into her Amber eyes "It's fine. Oh I'm Ambereyes." she said with a purr. "I'm Lightfeather." eyes trailed off to were Thornheart was standing, Thornheart rolled his eyes.
"Well I'm, um, sorry for running in to you." he said shaky as another clan arrived it was Thunderclan. The hair on his back stood as he saw Midnightstar leading.
"Hey calm down Cat." an un recognized voice said behind him as he spun to look at the cat.
"Hello, I'm Ravenwing. I'm Windclan." the black cat said. "I wonder were Shadowclan is?" He said as the two cat before he nodded. "Oh I'm Lightfeather." He purred.
"Look that must be the new medicine cat of Thunderclan." he said with confusion in his voice than his voice was a whisper "I wonder if a fox actually got their medicine cat?" As Shadowclan arrived an a hush went over the cats as Duststar hoped on to the tree with the other cats and he stepped forward to speak.

"Cats of the clans, Shadowclan has new warriors Shadeclaw, Darkfang and Poppyfur," as three cats held their heads high. "that is all for Shadowclan." he said backing away.

"Thunderclan is well! We are strong, lots of prey and two new apprentices Stormpaw and Kreekpaw. That is all." he said eyes wide with pleasure.

"Windclan has one new warrior Ambereyes. We prey to her lost litter mate that lives in Starclan." he said backing away.

"I Icestar have news. We also have a new warrior Lightfeather trained hard and is now an amazing warrior." his eyes saying something Lightfeather didn't understand. As all the cat got up

Ambereyes and Lightfeather hit heads and looked into each other's eyes *'There is something different about her'* Lightfeather thought as he said good bye and went to join his clan.

Chapter 13

Ambereyes: Prov.

Four days have passed since she met the strange cat. Ambereyes couldn't stop thinking of that cat that ran into her. He was different, not like any cat of Windclan. She felt different once she met him. 'What was his name' she thought.

"Windclan cats we have found traces of Riverclan across the border!" A cat yelped it was it was Ravenwing. He was Deputy of the clan and her father as he made patrols she Hurd her name.

"Ambereyes this is going to be your first battle!" He Yelped as he and many clan mates ran through the tunnel out of camp.

Riverclan cats were all over the clearing. Her father was battling a familiar pelt. 'The cat!' She yelped in her mind as a large Black Tom with white speckles leaped on her.
"Get off me you fish eater!" She yelped as she pushed the Tom off her. They where face to face. Her claws unsheathed as she dug her claws int his face he yelped an leaped backward and ran back to his own territory. The cat she met at the gathering was still hovering over her father. He was muttering something to him and her father nodded. Something told he to get to the Riverclan warrior as she sprinted toward the two cats.

She leaped on to the cat that she met not realizing they where at the edge of the stream as her and the familiar cat fell into the cold water. Her vision went black..

.
*

.
.

She awoke on the shore of an unfamiliar place. 'How long have I been out' she thought her vision was more clear. It was moon high, she looked around she saw the cat he was still but she couldn't tell

if he was alive. She got up hacking our water as she walked toward the drenched cat.

She looked closely and touched him with her nose. He was alive! Relief went over her as he started coughing up water.
"Hello." she said shaking from the cold. He sat up "You pushed me into the water!" He growled as he coughed and started to shiver "I'm sorry. That was my father you where on and....." he cut her off "I was doing something important for my clan! Our clans probably think we are dead!" He yelled.

"I'm sorry...." tears rolling down her face. His ears dropped "No I'm the one who should be sorry Ambereyes....." he said as he took a spot next to her.
"Now I feel bad." she said sadly.
"Why." he asked.
"I forgot your name..." she said as he let out a laugh "I'm Lightfeather." he said as they sat together in the moonlight.

Chapter 14

Lightfeather's prov.:

He awoke on the side of the lake. He had forgotten that he was with the she-cat that pushed him into the water. He stepped on her tail.
"Ouch!" She yelped standing up and started to shiver. Lightfeather took a seat close to her so she could stay warm.
"Sorry." he muttered as she looked at him with her amber eyes.
"It's ok. We should get back to our clans we are on Thunderclan territory." she said suddenly.

They walked along side the shore as a Thunderclan patrol came rushing out of the trees. Their fur sticking up hissing at their intruders.
Until a light brown Tom spoke. "What are you doing here on Thunderclan territory!" He hissed meanly as Lightfeather spoke.
"Windclan and Riverclan are in battle and she is from Windclan and I'm from Riverclan. We fell into the river and got washed up on your shore and are headed back to our clans."

"Leave fast you don't want to know what Midnighstar will do!" The Tom said with fear in his eyes.
As he and Ambereyes started the to walk away. the Tom came rushing up besides them.
"I'll lead you back to your territory. Just in case. I will not tell Midnighstar about this..." his voice turned to a whisper "I don't want my kits in danger because of him.."
"Why would he put your kit in danger?" Ambereyes asked.
"I have Hurd many bad things about him." the Tom said quietly.
"Like what?" Lightfeather asked slightly.
They walked farther across the border of Windclan territory. and he stopped eyes wide with Fear.
"I Hurd that his Father was leader before him and....." he paused.
"That he took the last of his fathers lives to become leader of Thunderclan."
He dipped his head sadly and looked up.

"I am on your side. I am wishing I was not in Thunderclan any more. Please help us I am Deputy of Thunderclan and he is planning to take over the clans even if it puts young and old lives in danger." he said as he prayed to Starclan for their safety.
They all touched noses and ran back to their territories..

Chapter 15

Lightfeather arrived at the entrance to Riverclans camp and walked slowly through the entrance. In side it was quite. He Hurd his mother sobbing with the rest of the clan in the clearing.
Icestar spoke "We have lost a fine warrior. Lightfeather." as he looked up at the star lit sky.
Lightfeather spoke "Well for one I'm not dead!" As he walked forward grinning as all the cats he loved gathered around him.
His mother Rainfur gave many thanks to Starclan for his safety. All cats were talking, he looked at Leafstorm. She looked thankful that he was back.
He looked up at Icestar.
"I was washed up on Thunderclans shore and a Tom from Thunderclan told me something Midnightstar is planing to do."
"What is it?" Ashtail asked as he gave Lightfeather one of his I-don't-get-what-your-saying looks.
"Midnightstar is planing to Battle all the clans and make them his own..." he said with a pause the cats gasped "I don't know when this will happen. The Tom said it was going to happen soon..."
.
.
.
.
.
(Sorry about the confusion but this part takes place 8 moons later..)
Lightfeather was tackled by his apprentice Swiftpaw. He pushed his hind legs. Swift paw surrendered.
"How can you do that? I'm eight moons and I still have to learn a lot. Why can't you let me win. I want to be in a Battle!" He spoke as Lightfeather stopped him.
"Do you want to hear of my last battle?" He asked as Swiftpaw nodded.
"Well it was with Windclan I was on top of their deputy Ravenwing. Then out of no were a cat with Dark brown leaped on me and we nearly drowned."
He looked at Swiftpaw. He was in a gasp.

"Is that true!?" He asked alightly after he finished.
"Yes it is all true. I think our training session is done." they walked back to camp and Heard screeches from Ashtail.
"Lightfeather, Shadowclan is attacking! Go help!" Ashfur screeched.
"Can I come!" Swiftpaw asked excitement in his eyes.
"No it's to dangerous!" Lightfeather yelped as he ran through the entrance and into battle.....

Chapter 16

Lightfeather ran as fast as he could pushing harder if he slowed. The battle was near! He Heard battle cries of Riverclan and Shadowclan. A light rain started to fall as he saw Darkclaw standing by a tree panting.
"Lightfeather, don't go out there it's to dangerous. You can get killed!"
Lightfeather looked at him he had many large gashes. He knew he was a senior warrior but the gashes were deep. The worst was on his back right leg. He tried to stand but callused to the ground in pain.
"I'm going out there. That's why I'm here to protect my clan. You stay. I know I'm young but you have to trust me." he said as he screeched a battle cry and rushed into battle.
.
.
.
.
As they arrived back to camp, Darkclaw was laying still on the ground. Lightfeather ran twarrds him as Icestar spoke.
"Darkclaw lost his only life. He lost a lot of blood. Leafstorm said she could not save him." Icestar looked at the non moving body.
"I will choose a new deputy. I will pick with Leafstorm, Snowapple, Rainfur, and Bramblethorn. Thank you, come with me the ones that I have chosen."

That Night Icestar walked out of his den fallowed by his mother and father, Snowapple, and Leafstorm. Icestar went to the top of the high rock. As the other four went to join the rest of the clan.
"I have chosen a new deputy with help from my senior warriors. The New deputy is....." he took a long pause after saying it
"Lightfeather. I know you're young but I believe you will make a very good deputy."
He looked at Lightfeather, his glaze trailed off to Leafstorm which she was looking at him as the clan cheered his name.
(Sorry short chapter, It was a good place to stop :3)

Chapter 17

Lightfeather walked into Leafstorm's den. She turned knowing that he was there.
"Good job on winning to be deputy." she purred happily. "You will make a fine leader if Icestar dies." She said happily.
"Thanks. But why me? Why not my mother or father or Ashtail, or....." she silenced him.
"Because he thought you would be a good deputy and leader. Icestar is soon going to be on his last leg. So he wanted. Someone young, strong and loyal." she smiled.
"Wow. I never knew he thought of me that way....."
.
..
...
....
.....
"Heartflare, Snowpaw, Stormpaw, Thornheart you guys will go on a hunting patrol. Blizzardpaw and Bramblethorn go on an border patrol with Swift paw and I." he said as he sent cats on their patrols.

They walked toward wind clan an hue screeches from cats as he saw some running at them.

"Help!" A familiar voice called.

As they got closer it was Ambereyes, Ravenwing and a couple of other Windclan cats.

"Help us please..." Ravenwing was painting heavily.
"What happened?" Lightfeather asked.
"Windclan is being attacked by Thunderclan. They Brought all their warriors elders and young kits." he painted out the words.
"Ok fallow us." Lightfeathe spoke.

"Lightfeather, what if their wrong?" Bramblethorn said harshly.
"I believe them lets bring them to Icestar to tell him what happened." he said harshly.

"Ok deputy." Bramblethorn rolled his eyes and started waking towards camp.

"Fallow us you guys will be fine." Lightfeather said calmly.

Chapter 18

They made it back to camp with the Windclan cats. As they walked through the entrance the fur of the cats where sticking up and hissing.
"Why are they here?!" Icestar hissed.
"They have come in need of help." Lightfeather said calmly.
"Why do they need our help?" Icestar asked.
"Thunderclan is taking over our forest. We can't do anything about it." Ravenwing said after a while.

"Well I guess you can stay here until we find out what is happening. Lightfeather bring Thornheart, Heartflare, Ashtail, Bramblethorn, Snowapple, and Fallensnow. Go see what is going on in Windclan territory, Bring one of the Windclan cats with you." Icestar said as the cats grouped together.

"Ok who wants to go back with us?" Lightfeather asked.

"I will go with you.." Ravenwing said..

Lightfeather looked at him and nodded as the group of cats ran through the tunnel to go into the battle.....
.
.
.
.
.
Many cats lay on the ground, not moving and not breathing. Large cats where protecting something but he couldn't see. As he noticed a familiar pelt.
"Wait here I'll be back don't go into battle." Lightfeather told the group.
"We can't lose another Deputy Lightfeather. I'll go." Bramblethorn said.
"No I'm going, not into battle; to see someone." as he sprinted toward the cat with the familiar pelt.

"Hey you!" Lightfeather hissed at the cat.
"You! Please help we are protecting our young from being attacked By Windclan. Midnightstar told us they have to fight." his ears drooped sadly. "We lost all our elders." he said with fear in his eyes.
"I'm Lightfeather deputy of Riverclan. I will help your young from being killed." Lightfeather told the tom.
"I'm Sandpelt. Thank you so very much. Watch out for Midnightstar he will kill you." Sandpelt said as Lightfeather ran back to his group of warriors.

"We are going to help Windclan and Sandpelt of Thunderclan. Which Sandpelt is not wanting to attack Windclan. He wants to protect his kits from dying so young." he said as they spit up to help Windclan and Sandpelt..

Chapter 19

Lightfeather took the lead. He took Bramblethorn, Thornheart, and Heartflare. Ashtail, Snowapple, and Fallensnow went separate ways but they wanted to help with Windclans part.

"Ok, take the kits to your territory and will watch for our leader." Sandpelt told them as they took kits one by one. There were seven kits in all but Sandpelt took the last one and ran with them to their territory.
.
..
...
....
.....

They arrived, running through the entrance straight for the nursery. setting the kits Down one by one as Rainfur walked up to Lightfeather.

"Where did you find these kits. They smell like Thunderclan!" She hissed.
"Yes but they where going to be killed if we hadn't saved them." He responded.

"Rainfur can you take care of them. I know you treat them like they were at home." Bramblethorn purred as she nodded in agreement. Lightfeather took his group back to Windclan territory.

He was attacked by something large and black. It was Midnightstar! He had large amber eyes and a shorthair pelt.
"Why are you here Riverclan warrior!"he hissed.
"I'm here to help a clan in need!" he hissed back.
He bit into Midnightstar's neck and he pushed him off.

They where face to face! Lightfeather knew what he was up to.
'But why dose he want to take over the clans?' Lightfeather thought.

He leaped at Midnightstar. He racked his claws into Midnightstar's eyes.

He yelped in pain than said "Your clan is NEXT!" as he called to his warriors and set off.....

Chapter 20

Many days past, the rest of Windclan was invited over to stay since they only had few warriors. Now there where even more kits in the nursery. The kits from Thunderclan, ran wildly around camp.

Lightfeather ordered patrols to go out and hunt and watch out for Thunderclan. Many cats of Windclan came to stay, only cats that survived came into Riverclan camp. Icestar and the two elders of Riverclan helped burry the cats who lost their only life in battle. Ambereyes came up to Lightfeather and spoke.

"So, do you think that Thunderclan is going to attack any moment?"

"No, not any time soon I hope..." Lightfeather looked at his paws remembering the large black tom standing face to face looking into large amber eyes.

"I hope so too Lightfeather. I can't believe that evil cat would try to take over a clan!" Dawnstar growled.

"Yes, I hope he will pay for his wrong doings." Ravenwing said back.

Lightfeather nodded with agreement. He was wondering when Midnightstar was going to attack. Thinking of the prophecy 'Light will save the clans from darkness.' He knew he was light and Midnightstar was darkness but how was he going beat the large black tom?

He thought on and on how was he going to do it! He was only 11 moons old or so!

"Lightfeather? Are you ok?" Ambereyes and Heartflare were behind him.

"Uh, yes I'm fine I'm just scared I guess or just trying to figure out how to have revenge on the dang cat.." He said calmly.

"Well I hope we will not get attached by Midnightstar and his clan." Heartflare told him.

"Yeah I guess so." He told her.
.
..
...
....
.....
Lightfeather could not sleep with all of what's happening with the clans. He looked up at the bright large moon. He saw something thing in the bushes.

"Hello? Who is that?" Lightfeather said suddenly.
"Hello, I'm Fire...." The Tom paused "Fireheart." He said after awhile

"Well I'm Lightfeather. Nice to meet you." I responded.

"So your the cat that is the one that is meant to save the clans! You were a good choice for Star....."

"Starclan! Your from Starclan! I have so many questions to ask..."
